# American Apparel for Amputees

What makes Teezy Jeans so special?

- Our sleek and unique design makes it so much easier for amputees to put their pants on and take them off.
- The zipper is strategically placed in the leg of the pants to allow easy access in and out of jeans.
- Each pair is uniquely designed to fit the amputee's needs; whether right or left leg, man, woman or child.

Our goal is to make IT EASY for amputees to get dressed, hence, our jeans are called "AMP-U-TEEZY" or "TEEZY" Jeans.

Our motto is "MOVING FORWARD" because as amputees, our lives are suddenly interrupted once we lose a limb, but we are determined to keep moving forward in spite of adversity! We believe that we have to use the challenge as motivation to move forward and live life to the fullest!
