

HELPING U.S. MILITARY VETERANS TRANSITION FROM COMBAT BOOTS TO BUSINESS SUITS

2019 Tampa Class

If you are local to Tampa and interested in our Fall 2019 class, please send an email including your resume and DD-214 to info@NS2serves.org.

OVERVIEW

NS2 Serves™ is an independent, nonprofit 501(c)(3) organization established by SAP National Security Services, Inc. (SAP NS2®) to give back to the community it serves by training and employing veterans in high-tech careers. The course is open to post-9/11 U.S. military service veterans and reservists (including disabled veterans), service members with orders to leave active duty, and Gold Star spouses who meet certain eligibility requirements.

As its signature initiative, NS2 Serves is offering training and employment assistance to those who have served our nation. The full-time course offers participants training in world-class software solutions that support U.S. national security needs and commercial enterprises. The training leads to certifications that are valuable in many career paths worldwide.

WHO CAN APPLY?

- ▶ Impending or honorably discharged post-9/11 veterans, who have left service in the last seven years and have a high-school diploma or GED
- ▶ Gold Star spouses who meet the same education and experience requirements

WHAT'S IN IT FOR TRAINEES?

- ▶ Training courses in SAP solutions geared for U.S. national security missions, leading to certifications that are valuable in many career paths
- ▶ NS2 Serves will cover course-related expense such as textbooks, ebooks, laptops, etc.
- ▶ Breakfast and lunch will be provided.
- ▶ NS2 Serves is not responsible for the following expenses: room and board, mileage, or meals outside the classroom.

WHAT'S THE PROGRAM?

During the intensive two-month course, trainees report Monday through Friday, 8:00 a.m. to 6:00 p.m., and gain the following:

- ▶ Access to an exclusive job fair with potential employers and additional job placement assistance
- ▶ Presentation and communication skills

- ▶ Extensive training and certification in SAP HANA, SAP Data Services and SAP Business Objects Web Intelligence. Trainees learn modeling and data management – how to model, extract, load, analyze and report on data in ways that prepare them for careers as a business analyst, BW technology, consultant or business process owner.
- ▶ Design thinking – how to develop creative ideas to address business challenges

WHAT CAREERS ARE MADE POSSIBLE?

- ▶ Analysts who assist organizations in making business process changes and decisions
- ▶ Solution “super users” who are qualified to manage key business processes
- ▶ Front-line problem solvers who provide support for mission-critical systems

WHERE DOES IT HAPPEN?

The NS2 Serves Tampa course will be offered at the International Institute of Orthotics & Prosthetics at 4809 Memorial Hwy, Tampa, FL 33634.

HOW CAN YOU APPLY?
